VOLUME 9

JANUARY – DECEMBER 1991

NUMBER 1
& 2

CONTENTS

Address by the Chief Guest	i
Address by the Guest of Honour	iv
Presidential Address	vii

Session – I (Soil Conservation)

Chairman : Prof. L.N. Mandal
Co-Chairman: Prof. M. Adhikari

Characteristic and evaluation of properties of coastal saline wet soils of Sundarban, West Bengal DIPAK SARKAR, C.J.THAMPI, A.K. HALDAR and S. CHATTERJI	1
Morphology, classification and management of some coastal saline soils of Medinipur district, West Bengal A.K. HALDAR, C.J. THAMPI and DIPAK SARKAR	7
Evaluation of soil site suitability for rice varieties in Lower Mahanadi Delta, Orissa S. CHATTERJI, DIPAK SARKAR, C.J.THAMPI and S. DAS	15
Delineation and characterization of salt affected soils in sea water intruded areas of Cauvery Delta of Tamil Nadu P. MALARVIZHI, A.SARAVANAN, P. SAVITHRI and K.M. RAMANATHAN	21
Characterization of organic matter in some soils of coastal Sunderban, West Bengal T.H. DAS, D. SARKAR, S. DAS and D.N. GHOSAL	27
Seasonal effect on soil properties at selected sites and general soil conservation measures for Sundarban, West Bengal M. ADHIKARI, S.K. BANDYOPADHYAY and M.K. MAZUMDAR	33
Pattern of sedimentation with reference to erosional and depositional areas along meander bends in the upper estuarine stretch of the Thakuran river, West Bengal GOUTAM KUMAR DAS and ASOK KUMAR BHATTACHARYYA	37
Embankments of Sundarban S.R. BISWAS	45
Profile morphology and physico-chemical properties of coastal soils of Thanjavur district in Tamil Nadu State P. THYAGARAJAN and G.V. KOTHANDARAMAN	51

Session – II (Aquaculture)

**JOURNAL
OF
THE INDIAN SOCIETY OF COASTAL AGRICULTURAL RESEARCH**

Chairman : Prof. K.K. Ghosh
Co-Chairman: Prof. M.S. Muthu

Scope of culturing Hilsa ilisha (Ham.) in brackishwater ponds M.L. BHOWMIK and R.K. CHAKRABORTI	57
Recruitment control of Oreochromis spp. using Lates calcarifer in saline sewage fed wetlands-experimental studies APURBA GHOSH, AMITABHA GHOSH, P.K. CHAKRABORTI and K.R. NASKAR	63
Crabs of Coastal West Bengal and Andaman Islands – their recognition and fishery information M.K. DEV ROY and N.C. NANDI	69
A note on determination of available phosphorus in brackishwater fish pond soils G.N. CHATTOPADHYAY, A.K. ROY and P.R. DAS	77
Human antibiotic drug in controlling dropsy, fin & tail rot of carps in some ponds of Sundarban B. K. MAHAPATRA, D. SAHA and N. C. DATTA	81
Some common engineering problems in brackishwater fish farm construction and their appropriate solution A.B. MUKHERJEE	87
Prospects and retrospects of paddy-cum-fish farming in coastal low land rice fields C.R. BISWAS, P.K. CHAKRABORTI, H.S. SEN, G.N. CHATTOPADHYAY, APURBA GHOSH and A.K. BANDYOPADHYAY	93
Monocultures of tiger prawn (Penaeus monodon) in undrainable confined brackishwater ponds excavated in saline paddy and near Chilka lagoon in Orissa S.K. MOHANTY	99
Aquacultural activities in the coastal regions of Maharashtra state G.A. SHIRGUR	111
Aquacultures for sustainability in growth of small farms R. JAYARAMAN, A.D.V. SAMUEL and VARADARAJAN	117
Constraints and solution in transportation of prawn seeds of Penaeus merguiensis de-man in tropical areas A.D. DHOLAKIA, N.G. AKOLKAR, M.I. PATEL and N.D. CHHAYA	123
Training needs for brackishwater aquaculture G. GOPAL KRISHNA	127
Policy issues in development of brackishwater fish culture K.K. GHOSH and V.R.P. SINHA	135

**JOURNAL
OF
THE INDIAN SOCIETY OF COASTAL AGRICULTURAL RESEARCH**

Human resources development for coastal aquaculture 149
KULDIP SINGH

Alternative land use systems including brackishwater aquaculture 155
K. ALAGARASWAMI and M.S. MUTHU

Session – III (Crop Soil and fertilizer management)

Chairman : Dr. S.B. Kadrekar
Co-Chairman: Shri B. Mondal

Sustainable cropping programme with improved soil, crop and fertilizer management in coastal saline soils of India 195
B. MAJI and L.N. MANDAL

Soil related constraints in coastal saline soils of Orissa 183
D. JENA

Productivity constraints in coastal salt affected soils of India 187
B. MAJI and L.N. MANDAL

Studies on integrated nitrogen management with Glyricida maculata green manuring in rice – groundnut sequence on lateritic soil of Konkan 195
B.P. PATIL, S.N. JADAV and V.N. KHADE

Nitrogen management in green manuring-paddy system 197
R.M. MACHHI, S. RAMAN, M.G. PATEL and Y.P. LAD

Nitrogen management for rice in partially reclaimed coastal saline sodic soil of south Gujarat 199
R.M. MACHHI, Y.P. LAD and S. RAMAN

Use of organic amendments for improving rice yields in sea water intruded soils of Cauvery delta 203
A. SARAVANAN, P. MALARVIZHI and K.M. RAMANATHAN

Effect of modified forms of urea and ZnSO₄ application in increasing the N use efficiency in the coastal soils 209
P. SAVITHRI, P. MALARVIZHI and A. SARAVANAN

Response of different rice and coconut cultivars to coastal soil salinity in Bay Island 213
G. SINGH and A. K. BANDYOPADHYAY

Micro-nutrient research in coastal salt affected soils 219
B. MAJI and B.K. BANDYOPADHYAY

Irrigation and fertilizer management for paddy in partially reclaimed coastal salt affected soil of South Gujarat 225
R.M. MACHHI, Y.P. LAD and S. RAMAN

Performance of different groundnut varieties in summer season in South 24-Parganas district of West Bengal 229

**JOURNAL
OF
THE INDIAN SOCIETY OF COASTAL AGRICULTURAL RESEARCH**

R. C. SAMUI, A. K. M. M. AHASAN and B. SIT

Feasibility of Chilli (*Capsicum annum*) cultivation in saline soils of coastal West Bengal 235

C.R. BISWAS

Cropping systems and management practices for humid tropical conditions of Bay Islands-status and future challenges 241

B. GANGWAR, A.D. MONGIA and A.K. BANDYOPADHYAY

Performance of rice-oilseed cropping sequences in rainfed low lying coastal saline soil 251

B. MAZUMDAR, G. PRASAD and D. JENA

Effect of different sowing times and fertilizer levels on the performance of sesamum varieties 255

B.B. MAHALE and S.T. THORAT

Rice in coastal saline soils of India 259

A.B. MONDAL, H.S. SEN and N.T. SINGH

Rice varieties suited for late planted conditions under rainfed lowland situations for coastal areas of West Bengal 269

S.K. SINGH, N.C. PANDE and S.N. SHUKLA

Promising rice cultures for coastal saline areas 273

R.N. DEY and P.N. SREEDHARAN

Screening of some rice cultivars in the coastal taluks of Thanjavur district in Tamil Nadu 279

P. THYAGARAJAN and G.V. KOTHANDARAMAN

Pest problems serious concern in Island agriculture 285

B.S. BHUMANAVAR and A.K. BANDYOPADHYAY

Effect of different sowing times on the incidence of bud necrosis disease (BND) and yield of groundnut 299

S.S. MAHALLE, R.K. MEHENDELE and S.T. THORAT

Effect of FYM on rice yields and properties of coastal saline soils of Maharashtra 303

A.S. CHAVAN, K.D. PATIL, V.B. MEHTA and K.N. CHAVAN

Growth and nutrition of crops on coastal saline soil under excess soil moisture condition 309

B.K. BANDYOPADHYAY, H.S. SEN and B. MAJI

Coastal climate and agriculture 317

M.K. GUHA

Session – IV (Transfer of Technology)

**JOURNAL
OF
THE INDIAN SOCIETY OF COASTAL AGRICULTURAL RESEARCH**

Chairman : Prof. H.K. Pande

Co-Chairman : Dr. S.P. Ghosh

Some socio-agro-economic features of coastal districts of West Bengal 323
S. SARKAR and H.S. SEN

Technology transfer in relation to structural framework in coastal area 331
– a socio-economic study in east coast
K.K. DATTA, S.S. DAN and U.K. BHATTACHARYA

Reconstruction of rural economy through aquaculture in coastal saline 339
areas of West Bengal
SUJIT BANERJI

Session – V (Water management & hydrology)

Chairman : Dr. N.T. Singh

Co-Chairman : Dr. L. Venkataratnam

On farm water management in coastal saline lands 347
K.V.G.K. RAO

Mining effects based hydrological problems in groundwaters of coastal 359
tracts
V.N. VARMA, SRI THIAGARAJAN and SESHADIRI GOPALAN

Rain water management technology for stabilizing rice production 365
S.T. THORAT

Inter-terrace water harvesting for maximizing the kharif production in 369
Konkan
S.T. THORAT

Effect of sea water irrigation on the establishment of mesquite 373
(Prosopis juliflora) in coastal saline soils of Gujarat
I.K. GIRDHAR

Management of coastal saline soils of Sunderbans - IFFCO's experience 381
D.P. PATRA

Redistribution of water and salt in a heavy-textured coastal saline soil 389
as influenced by the amount and method of irrigation applied to chilli
plants
N.B. DASH, K.R. MAHATA, H.S. SEN, D. PAL and B.K. BANDYOPADHYAY

Effect of waterbodies on the quality of groundwater in coastal areas of 395
South 24-Parganas in West Bengal, India
P. DHARA, S. PANDA, G.B. ROY and D.R. DATTA

Studies on estuarine morphology 397
D. GUHA and B. BHATTACHARYA

**JOURNAL
OF
THE INDIAN SOCIETY OF COASTAL AGRICULTURAL RESEARCH**

Sediment baffles by intertidal marsh and swamp vegetation: A study from the distributary channel banks of the Thakuran tidal river, West Bengal GAUTAM KR. DAS and ASOK KR. BHATTACHARYA	399
Development of Doruvu technology for skimming fresh water floating over saline ground water in coastal sand of A.P. G.V. SUBBAIAH, R.K. GUPTA, K.V.G.K. RAO and I.V. SUBBA RAO	405
Sedimentation in the Hugli estuary A.K. CHATTERJEE	407
Climatological data of Bay Island K.P. TRIPATHI, A.K. BANDYOPADHYAY and S.L. PAIK	409
Excavation of farm pond for reclamation and management of water-logged and salt affected coastal soils in Orissa M. PANDA and B. RATH	413
Session – VI (Alternate Land Use)	
Chairman : Dr. D.N. Guha Bakshi Co-Chairman : Dr. P.R. Dasgupta	
Alternate band use for coastal agriculture S.P. GHOSH, S. GANGOPADHYAY and ARUN VARMA	419
Agro-forestry practices for coastal Bay Islands J.C. DAGAR	433
Productivity constraints in coastal areas of Andhra Pradesh T.V. RANGARAJAN	441
Mangroves the unique but endangered ecosystems in the tropical regions SANGEET HALDER and K.R. NASKAR	447
Succession of the different species of Sonneretia L. F. in the Sundarbans mangrove ecosystems D.N. GUHA BAKSHI and K.R. NASKAR	451
Mangrove ecosystems in the Indian sub continent with special reference to the Sundarbans, W. B. K.R. NASKAR	455
Response of acid sulphate soil of mangroves to different sources of P-application for low land rice production in Andamans A.D. MONGIA and A.K. BANDYOPADHYAY	463
Influence of changing land use on the micronutrient status in the coastal soils of Bay Island G. SINGH and A.K. BANDYOPADHYAY	471

**JOURNAL
OF
THE INDIAN SOCIETY OF COASTAL AGRICULTURAL RESEARCH**

Studies an Propis juliflora for coastal wetland development K. KATHIRESAN and Y. KUMARAVEL	475
Productivity constraints in estuarine wetland fisheries caused by different aquatic weeds infestation-a case study K.R. NASKAR, R.K. DAS, AMITAVA GHOSH and APURBA GHOSH	479
A national perspective on the problem and prospects of forage production with special reference to coastal areas C.R. HAZRA	485
Influence of salinity levels at two growing stages on the performance of three tropical forage crops ASHOK KUMAR, K.S. DATTA, J. GORHAM, R.G. WYN JONES and P.A. HOLLINGTON	493
An approach for the development and conservation of Chakrahalady- Kollur estuarine complex of Kundapura, Karnataka State through mangrove afforestation C.D. DYAVAI AH	503
Conservation of mangrove tigerland – the Indian Sundarbans PRANABES SANYAL	509
Recommendations	513
Participants	517
