

**JOURNAL
OF
THE INDIAN SOCIETY OF COASTAL AGRICULTURAL RESEARCH**

VOLUME 14

JANUARY – DECEMBER 1996

NUMBER 1
& 2

CONTENTS

Inaugural address- Challenges and opportunities of research and development in coastal agriculture K.C. LENKA	1
Key note address – Research and development strategies for coastal agriculture K. Pradhan	7
Presidential address – Challenges of research and development in coastal agriculture J.S.P. YADAV	17
Session – I (Soil problems and their management for sustainable agriculture)	
Evaluation of soil-site suitability for different crops in coastal saline areas of West Bengal T.H. DAS, DIPAK SARKAR, S. CHATTERJEE, DIPAK DUTTA and J. SEHGAL	31
Two dimensional solute transport in soils under trickle irrigation- estimation of salt balance in soil D. PAL, H.S. SEN, N.B. DAS and B.K. BANDYOPADHYAY	35
Transformation of sulphate salts and black colour formation in coastal saline soils of Sundarbans West Bengal B.K. BANDYOPADHYAY, H.S. SEN and B. MAJI	39
Effect of liming on yield of safflower and nutrient availability in coastal acid saline soils of Sundarbans West Bengal B. MAJI and B.K. BANDYOPADHYAY	47
Impact of lime, gypsum and organic matter on rice growth in saline soils of Bangladesh A.C. AICH, R. MANDAL and A.H.M. AHMED	53
Physico-chemical characteristics and nutrient status of coastal saline soils of Tamil Nadu R. SINGARAVEL, C.S. BALASUNDARAM and K. JOHNSON	59
Effect of Mg-hazards in irrigation water on physico-chemical properties of coastal saline soils of West Bengal I.K. GIRDHAR	63
Effect of different RSC waters of varying salinity and SAR on soil properties of Haplustalfs I.K. GIRDHAR	69
On classification of mangrove soils of Sundarbans, West Bengal S. CHATTERJI, B. MAJI, T. H. DAS and N.C. KHANDARE	73

**JOURNAL
OF
THE INDIAN SOCIETY OF COASTAL AGRICULTURAL RESEARCH**

Session – II (Drainage and water management)

Prospects of improvement of drainage in coastal ecosystem K.V.G.K. RAO and S.K. AMBAST	77
Study of economic feasibility of agricultural subsurface drainage in saline soil of Bangladesh A.C. AICH, R. MANDAL and A.H.M. AHMED	87
Evaluation criteria for monitoring surface drainage system S.K. AMBAST	93
Drainage and water resource management in the eastern coastal areas of India S.S.K. NANDA	103
Effect of furrow irrigation and irrigation schedules on tuber yield of potato J.C. PAUL, N.N. SAHU and B. PANIGRAHI	111
Improved crop calendar for maximizing productivity of the land through rainwater management in Sundarban S.K. AMBAST, H.S. SEN and N.K. TYAGI	115
On agro problem of high level hydrogen sulphide concentrations in coastal groundwater V.N. VARMA and M.A. SAVERY	125

Session – III (Improvement and management of agricultural crops and farming systems)

Coastal agriculture in India – problems and prospects I.C. MOHAPATRA and M. PANDA	121
Coastal agriculture research and development strategy T.C. JAIN	137
Major challenges and opportunities of cropping systems research in Bay Islands B. GANGWAR and R.P. DUBEY	143
Reduced tillage for establishing groundnut after rainfed lowland rice in Mahanadi delta area K.R. MAHATA, N.B. DASH and S.K. PRADHAN	149
Effect of different sources of sulphur on rice under submerged condition S.K. SINGH	153
Comparative efficiency of P sources on gram in coastal agro-climatic region (Bhal) of Gujarat G.R. PATEL	157

**JOURNAL
OF
THE INDIAN SOCIETY OF COASTAL AGRICULTURAL RESEARCH**

Fertilizer management in coastal salt affected soils M.S. PATEL, K.P. GOSWAMI and G.R. PATEL	159
Effect of irrigation and mulches on growth and yield of groundnut in rice fallows of coastal Karnataka N.A. JANARDHANA GOWDA, S. THIMME GOWDA and C. MALLESHAPPA	163
Effect of nitrogen on the green yield of Coix (Coix lachryma jobi) in coastal saline areas of West Bengal C.R. BISWAS	167
Hydrological characterization of coastal districts of West Bengal S.K. RAUTARAY, S.N. SHUKLA, K. PANDE, S.K. SINGH and N.C. PANDE	171
Performance of sweet potato lines in coastal areas of Balasore S.K. NASKAR	175
Micorrhizae and their role in sustainable agricultural crop production in coastal soils of Orissa (An overview) S.N. MISRA	177
CSRC (S) 11-5-0-2, a promising rice for the coastal intermediate lands of West Bengal A.B. MANDAL	181

Session – IV (Forestry and ecology for preservation of land and environment quality)

Rehabilitation of coastal saline lands by planting with suitable species J.C. DAGAR	185
Influence of major nutrients and growth regulators on flowering in cashew (Anacardium occidentale L.) under coastal conditions of Karnataka D.P. KUMAR, M.M. KHAN and MAHABALESWAR HEGDE	195
Evaluation of cashew suitable for coastal Karnataka D.P. KUMAR, MAHABALESWAR HEGDE and M.M. KHAN	201
Regeneration of mangroves in potential niches of the coastal Dakshina Kannada district-Karnataka C.D. DYAVAI AH	205

Session – V (Aquaculture and animal husbandry for higher productivity and economy)

Problems and prospects of freshwater aquaculture M. RANADIR and S. AYYAPPA	211
Monitoring of areas under prawn cultivation along the coast of Guntur district of A. P. using remote sensing techniques L. VENKATARATNAM, T. RAVI SANKAR and S.S. THAMMAPPA	221

**JOURNAL
OF
THE INDIAN SOCIETY OF COASTAL AGRICULTURAL RESEARCH**

Rice-fish system – an excellent choice for higher productivity and sustainability in rainfed lowlands D.P. SINHABABU	225
Studies on technology on paddy-cum-fish and prawn farming in lowlying coastal zone of West Bengal R.N. DAS, U.K. LAHA and B. MAZUMDAR	229
Present status and management involved in shrimp farming under coastal aquaculture in Orissa P.K. RATH and S. NANDA	233
Soil problems and their management in aquaculture D.K. CHATTERJEE and P.K. SAHA	241
Preliminary experiments on culture of mud crab <i>Scylla serrata</i> (Forsk.) in brackish water pond of South Andaman S. DAM ROY and K. DORAIRAJ	247
Session – VI (Transfer of technology for location specific needs)	
Role of research and extension linkage in rural development D. LENKA	251
Problems and prospects of transfer of technology in Orissa C. SATPATHY and R.N. DAS	257
Proceedings of Seminar	269
Participants (Appendix A)	281
Proceedings of the G. B. meeting of Indian Society of Coastal Agricultural Research	283
